

## Hello.

MY NAME IS ERICA G. COURTNEY

I am the CEO of 2020vet where we simplify the complex focusing on long-term solutions. With experience as a leader in the U.S. Army, an entrepreneur and corporate executive, I have the know-how to bring together the right team and technologies in order to satisfy only one mission-yours! My education includes a BA in Communications, an Executive MBA and numerous courses in the areas of leadership, project management, acquisition/logistics, strategy, instruction, technologies and more. Whatever your needs, I will make sure things are done right the first time on task, time and on budget.
